Course Supplies

Students are expected to provide their own course supplies and texts (see your syllabus for text ordering information). If you plan to use a laptop computer, please bring a power strip and extension cord.

Lodging

Lodging at Camp Elohim will be in cabins and students will need to share cabins. Depending on class size we may be able to accommodate married couples together, but more than likely we will assign males together and females together. Students need to bring their own bedding (sleeping bag, an extra blanket and pillow), towels and toiletries. Camp Elohim plans to provide a meal, at no extra cost, at 6:00 p.m. on Friday, with class running from 7-10 p.m.
